Reminders

- Please send in a pair of outdoor shoes (in a named plastic bag) that children can change in to when the field is wet – old trainers are perfect.
- A coat every day as we will go outside in light rain!
- Please try to limit what your children bring to school – large rucksacks are difficult to accommodate in our cloakroom.

COLLECTION ARRANGEMENTS

- If your child is in Year 5 or 6 and you would like them to be allowed to leave the site unaccompanied i.e. they are allowed to walk home from school, please do let the office know so that you can sign the permission form.

FOR YEAR 6 ONLY

HOME LEARNING

We would welcome the children continuing their learning beyond the classroom - if you do anything outside of school linked to our learning please do share this with us. In the past, children have visited museums to find out about a history topic or done some independent research. This really enhances topics for us all so please do encourage your child to share this with us.

Reading high quality texts is vital as this has such a positive impact on writing development. We have an excellent selection of books in class and reading every day for at least 15 minutes is an expectation for home learning in Picasso class.

Mathletics home learning will be set each week – please complete this by Monday of each week. This is a really important opportunity for the children to consolidate and reinforce the learning that has taken place in class.

TTRockstars is also a great resource provided by school and just 10 minutes each day will really improve vital skills in times tables including the inverse division facts.

Children will be given a Password Passport which will contain the passwords that they need.
