

Science: 'Our Diverse Planet'

This whole school home learning activity will be handed out on Wednesday 4th March and needs to be handed in on Monday 9th March. This activity will inform part of our Science Week learning.

Maths:

Can you find lots of 3d shapes around your house? Can you sort them into spheres, cuboids, cubes, pyramids and

**Van Gogh Home Learning Foundation
Spring B 2020**

Please choose one activity a week to enjoy with your child.
Please just initial the task completed.
Please continue to regularly read to your child.

English:

We are following and then writing instructions on 'How to make a wormery.'

Can you follow some instructions? It could be to make a cake, Lego model or to play a game. Let me know what happened!

Art and Design:

We are learning to observe things really closely in Science.

Can you draw something carefully that you find outside? It could be a leaf, flower, snail shell or fruit. Look carefully at the pattern, colour, size and shape.

Speaking and Listening

Later on, in the term, we are thinking about imaginary creatures. Can you make up a story about your favourite imaginary creature and what it gets up to?
