

COVID Outbreak Contingency Plan- September 2021

<p>Should my child self-isolate or miss school?</p> 	 <p>NO</p>	<ul style="list-style-type: none"> All children MUST attend school unless they are ill. From 16th August 2021, children under 18 (or double vaccinated adults) do not need to self-isolate if a member of their household or a contact has COVID. Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.
	 <p>YES</p>	<ul style="list-style-type: none"> If your child develops COVID symptoms at home, they should <u>stay at home</u> and should book a PCR test, <u>NOT</u> a Lateral Flow Test. If your child develops COVID symptoms at school, they will be sent home and you should book them a PCR test. If your child tests positive for COVID, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated- but instead should book a PCR test.

Community COVID Risk	Description	Action
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> There have been no cases of COVID within school for 10 school days. Cases of COVID locally are low and/or stable. Hospitalisations/Deaths due to COVID nationally are low. 	<p>NO COVID measures are necessary beyond:</p> <ul style="list-style-type: none"> Regular handwashing/sanitising including when children arrive in school, after break, before and after lunch and after PE lessons. Reminding children of good respiratory hygiene – catch it bin it kill it. Ensuring good ventilation across the school. VG and M eating in class groups in the hall and K and P eating in their classrooms. Ensuring children/staff to stay at home if they have COVID symptoms (and to book a PCR test) Collective worship in classrooms <p>Staff will continue to test themselves using Lateral Flow Tests until the end of September.</p>
 <p>Rapidly Rising Community Transmission</p>	<ul style="list-style-type: none"> No current COVID cases have been recorded at school, but... Cases of COVID are rising rapidly in the community causing disruption to other local schools. Cambridgeshire Public Health/Public Health England issue warnings of expected local/national infection wave. 	<ul style="list-style-type: none"> Ventilation of classrooms increased. Large indoor public performance audience numbers reduced. Staff room capacity is reduced to 4. Whole school collective worship is delivered virtually. Staff given the option to wear face coverings if moving between classes, in the corridors and when talking with parents.

COVID Outbreak Contingency Plan- September 2021

Number of Cases	Description	Actions
 <p>A single child tests positive</p>	<ul style="list-style-type: none"> A single child tests positive for COVID in a class. There are fewer than 5 cases in the class group. No other classes are affected. 	<ul style="list-style-type: none"> The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it. The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. Likely contacts will be contacted by NHS Track & Trace and advised to book PCR Test. The school will contact parents to advise this if close contacts are known. Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have COVID symptoms.
 <p>A single staff member tests positive</p>	<ul style="list-style-type: none"> A single adult tests positive for COVID in a class. There are fewer than 5 cases in the class group. No other classes are affected. 	<ul style="list-style-type: none"> The staff member self-isolates for 10 days. They will be expected to work from home if they are well enough. The staff member will be contacted directly by NHS Track and Trace to establish likely contacts. Likely contacts will be contacted by NHS Track & Trace and advised to book PCR Test. The school will also advise this if close contacts are known, particularly other colleagues. Staff do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have COVID symptoms.
 <p>5 children or staff in a class test positive within 10 days.</p>	<ul style="list-style-type: none"> There have been 5 cases of COVID within the same class within 10 days which could mean that COVID is spreading within that group of children. 	<ul style="list-style-type: none"> ○ As above for each positive case. ○ The school will discuss the outbreak with Cambridgeshire and Peterborough Public Health and agree strengthening protective measure for 10 school days. Including: <ul style="list-style-type: none"> ○ Re-introducing staff face coverings for corridor and communal areas. ○ Adapting, limiting or postponing indoor events, trips, open days and performances. ○ Reducing the amount of classes staff work across. ○ Affected class to eat in their classroom and play as a bubble for break/lunch time.

Abbots Ripton CofE Primary School

COVID Outbreak Contingency Plan- September 2021

		<ul style="list-style-type: none"> ○ Resuming twice weekly staff lateral flow testing beyond September ○ Limiting all non-essential visitors to school.
 <p>COVID cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> • Despite the measures indicated above, COVID cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that COVID is spreading widely throughout the school. 	<ul style="list-style-type: none"> • Incident management Team meeting held between the school and Cambridgeshire and Peterborough Public Health to agree further measures, for a further 10 school days, including: <ul style="list-style-type: none"> ○ Re-introducing class bubbles. ○ Postponing all non-essential events.

The school will inform parents of any changes to COVID measures should these be needed.
