

Maths:

How many different ways can you make the number 10 at home? For example, 10 buttons, 10 cars, 10 apples etc. You could draw all the different ways you find, or take a photograph, or write them all in a list.

10

English:

Do you have a favourite story? Tell me your favourite story and why. You could make a poster, build or make a character from the story or tell us the story in school.

Van Gogh Year 1 Home Learning AUTUMN A 2019

Once Upon a Time

Please choose one activity a week to enjoy with your child. Home learning is sent out on a Wednesday and due in on a Monday.

The Reading Diaries will be sent out every day. Please continue to comment on your child's reading.

Speaking and Listening:

We are learning the story of the Little Red Hen. Can you tell the story to a grown up at home? Remember to use some different voices for the different characters!!

**Geography:**

As Autumn comes, can you make a collection of things that show us the season is changing? You can bring them to school in a box or bag and show us what you have found!

**Science:**

Our topic in Science is 'Animals including humans'. How many animals, birds or insects can you find in and around your house and garden? Make a list.
