

The background features a gradient from red to blue, overlaid with technical graphics such as circular gauges with numerical scales (40, 150, 160, 180, 220, 230, 240, 250, 260) and various circular patterns. A starry space pattern is visible in the lower right quadrant.

WELCOME TO PICASSO CLASS YEAR 5/6 - 2023/24

**THE PICASSO TEACHING TEAM
MRS JACKSON – CLASS TEACHER
MRS MCCABE – TEACHING ASSISTANT**

WELCOME TO PICASSO!

Residential Year 5/6 at Grafham Outdoor Water Centre – September 2023

OUR CLASS PRAYER

Please help us together,
to learn for life,
achieve our best
and grow in faith.
In Jesus' name,

Amen

Thursday 16th May 2024	Mathematics Reasoning (Paper 3) - 40 minutes

HOME LEARNING

We would welcome the children continuing their learning beyond the classroom - if you do anything outside of school linked to our learning please do share this with us. In the past, children have visited museums to find out about a history topic or done some independent research. This really enhances topics for us all so please do encourage your child to share this with us.

Reading high quality texts is vital as this has such a positive impact on writing development. We have an excellent selection of books in class and reading every day for at least 15 minutes is an expectation for home learning in Picasso class.

Mathletics home learning will be set each week – please complete this by Monday of each week. This is a really important opportunity for the children to consolidate and reinforce the learning that has taken place in class.

TTRockstars is also a great resources provided by school and just 10 minutes each day will really improve vital skills in times tables including the inverse division facts.

Children will be given a Password Passport which will contain the passwords that they need.
