

Consultation on proposed changes to our Pupil Admissions Number (PAN) and Admission Criteria for admissions into Reception from September 2027

Abbots Ripton CE Primary School is a Voluntary Aided Primary School fully funded by Cambridgeshire County Council. The governing body is the admission authority for the school but will work with Cambridgeshire County Council to ensure that the admission arrangements for the school comply with admissions legislation and support strategic place planning for the community served by the school.

PAN (Pupil Admission Number)

The PAN which has been determined for Abbots Ripton CE Primary School is currently 17. This is the number of pupils which can be accepted to the school at the point of entry for the school, ie. to Reception Year. We proposed to reduce our PAN to 15 in order that our mixed age classes can remain at 30 as the children move through the school. There is a statutory limit of 30 children in an infant class meaning that our mixed Year 1/2 would be 34 children. In the past, the school has funded an additional class teacher but reducing our PAN to 15, our mixed age classes will remain at 30.

Admission Criteria

Set out below is our current admission criteria, with the proposed change highlighted in bold.

The school will admit all children with a statement of Special Educational Needs (statement), or Education Health and Care (EHC) Plan which names the school.

Following the admission of children with a statement or EHC Plan, when there are more applications than there are places available at the school the school will allocate places in accordance with the following over-subscription criteria:-

1. Children in State Care, also Looked After Children (LAC), and children who were previously looked after (PLAC) but ceased to be so by reason of adoption, a care arrangement order or special guardianship order.
2. Children who appear to the Admission Authority to have been in state care (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society) outside of England but ceased to be so as a result of being adopted only.
3. Children living in the school's catchment area with a sibling (children living in the same home) at the school at the time of admission.
4. Children living in the catchment area who are applying on religious grounds (and whose application is supported by a completed Supplementary Information Form which is available below as Appendix A or electronically on our [school website](#)). The parents/guardians must be members of the church who practice in accordance with its normal discipline and normally at least monthly over a period of two years.

Within this criterion, priority will be given to applications in the following order:

- a. Applications from regular worshippers (as defined above) of those parish churches directly linked to the school:

St Andrews - Abbots Ripton with Wood Walton;
St Peters - Kings Ripton;
Church of All Saints – Broughton.

- b. Applications from regular worshippers (as defined above) of any other Christian Church within the catchment.

5. Children living in the catchment area.
6. Children living outside the catchment area with a sibling (children living in the same home) at the school at the time of admission.
7. Children living outside the catchment area who are applying on religious grounds (and whose application is supported by a completed Supplementary Information Form which is available below as Appendix A or electronically on our [school website](#)). The parents/guardians must be members of the church who practice in accordance with its normal discipline and normally at least monthly over a period of two years.

Within this criterion, priority will be given to applications in the following order:

- a. Applications from regular worshippers (as defined above) of those parish churches directly linked to the school:
 - St Andrews - Abbots Ripton with Wood Walton;
 - St Peters - Kings Ripton;
 - Church of All Saints – Broughton.
 - b. Applications from regular worshippers (as defined above) of any other Christian Church
8. **Children who have attended Daisies Montessori School for at least 15 hours per week and for a minimum of 3 terms.**
 9. Children living outside the catchment area.

This consultation is open from 20th November 2025 to 5th January 2026 and has been shared with parents of children currently attending Abbots Ripton C of E Primary as well as those of children attending Daisies Montessori. It has also been shared with all other Huntingdonshire Schools.

Notes for completion of this form

We ask that applicants for church priority places have been affiliated with their church for a period of at least two years. Applicants new to the area would therefore need to provide additional evidence from a previous church or churches.

To accommodate patterns of work and family relationships, account should be taken of involvement in week-day worship, or other forms of collective worship offered by the church, including family services, church parade etc.

The frequency and duration of attendance should be considered for the child for whom the application has been made, alongside at least one adult carer. This may be one or both parents / guardians or a grandparent. There is, however, an expectation that the child attends church in some capacity and is known to the person completing this form.

In the event that during the period specified for attendance at worship the church or, in relation to those of other faiths, relevant place of worship has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or in relation to those of other faiths, relevant place of worship or alternative premises have been available for public worship.
